

DR. ANGELA WILKINSON

The Woman Superintendent: Eliciting Narratives of Female Superintendents in Utah

(We will also have a panel of Utah Superintendents)

Angela Wilkinson grew up in Utah and has been in education since graduating with a degree in elementary education in 2005. While working with Granite School District, the State board of Education and as a STEM Director for a private school in Indianapolis, IN she worked to obtain two Masters Degrees and a Ph.D. in the field of education. She is currently an administrator at Canyons School District. Angela's area of expertise and research interests include educational leadership, diversity in education and education policy.
